Barbican & Golden Lane
Public Consultation
12 May - 9 July 2021

The City of London Corporation is consulting on two draft guidance documents which relate to the Barbican and Golden Lane Estates.

Barbican and Golden Lane Conservation Area Character Summary and Management Strategy

This document analyses the special character and appearance of the conservation area and sets out the policy context and strategy for its management through the planning system.

On 7 and 24 June, there will be opportunities to attend online meetings with senior officers from the City Corporation to pose any questions you may have regarding the Conservation Area document. Details of how to register for these will be released before the events on the City Corporation website mentioned below.

Barbican Arts Centre Listed Building Management Guidelines

These are a tool for the management of the Arts Centre as a listed building and working arts centre, providing clarity on permissions and consent requirements and guidance on best practice for works.

It is intended that they will be adopted as Supplementary Planning Documents (SPDs) as part of the Local Development Scheme (LDS).

We would appreciate your views on either or both of the documents before the end of the consultation on **Friday 9 July**. Please specify the document(s) on which you are commenting.

Copies are available to view on the City of London website at **www.cityoflondon. gov.uk/bglconsultation**
