

## **Weekly Estate Bulletin – Golden Lane Estate.**

**Week ending 11 March 2016**

### **Estate Matters:**

#### **Parking**

We are still experiencing serious parking congestion problems due to the re-cladding and window replacement work at Great Arthur House. If you are planning to have visitors there may not be spaces available.

#### **Door Entry Systems**

We will shortly be undertaking replacement of the door entry system across several blocks on the estate. We will write to residents soon with the schedule of works and the timescale. Regular updates will be made via social media and through the estate bulletins.

#### **Concrete Testing**

Concrete testing is still ongoing across the estate. Testing at Cuthbert Harrowing House will be carried out from Monday 14 March 2016.

### **Communal Repairs:**

#### **Basterfield House**

Loose and damaged quarry tiles on the steps at the rear of the block have been reported to the repairs and maintenance team. Please exercise caution when walking in this area.

### **Communication**
