

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 8 July 2016

Estate Matters:

Lift Update

We have recently experienced several minor faults with lift number 2 in Gt Arthur House and lift number 5 in Basterfield House. Engineers have attended on each occasion and returned the lifts to service. We apologise for any inconvenience caused to our residents.

Door Entry System

AJS will be commencing work on the Stanley Cohen House door entry system from Monday 11 July 2016. Residents are requested to give full cooperation and access as required to the engineers during the installation, as failure to do so will delay the completion of the works. If you have any queries about the door entry works in Stanley Cohen House or any of the other blocks the AJS are working on please contact AJS direct on the following numbers:
