

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 13 May 2016

Estate Matters:

Great Arthur House Lifts Update

Due to a technical fault lift number one is temporarily out of service.
We apologise for any inconvenience.

Great Arthur House Door Entry System

Operatives from AJS Group Services Ltd are in the process of installing a new door entry system and new handsets in each flat. The entry door fob readers on the main entrance door and the main basement door have now been replaced, and residents can access the block by presenting their fobs to the small yellow key symbol in the new console. Works are likely to take 3-4 weeks to complete.

Communal Repairs:

Crescent House

Blocked drain in Crescent House basement area – This repair was reported to repairs on 11 May 2016

Stanley Cohen House

There are six cracked paving slabs outside the entrance to flats 1-5 – This repair was reported to repairs on 10 May 2016
