

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 9 September 2016

Estate Matters:

Lift Update

We have experienced faults with lift 6 Basterfield House this week and also a minor fault in lift 2 Gt Arthur House. We apologise for any inconvenience caused to our residents.

Hatfield House Recycling Area

Residents are respectfully reminded that the basement bulk collection point under the staircase is no longer in use and absolutely no items are to be left there. Any future dumping in this area will be treated as fly tipping. Therefore, please use the bulk collection point at the basement level of Great Arthur House or alternatively call environmental services on 020 7606 3030 to have the items collected from your flat. If you choose this option a charge will apply for the collection.

Cook Great Food on a Budget!

Between 29 September and 20 October 2016 – The NHS will be running a course entitled “Cook Great food on a budget” at Artisan Street Library. Representatives will also be carrying out door knocking on our estate with a view to publicising the course. Please see the Golden Lane Estate website and the estate notice boards for further details.

Dates for Your Diary:

17- 18 September 2016 – There will be a photo and memorabilia exhibition at The Golden Lane Estate Community Centre from 11:00 a.m. to 4:30 p.m.
