

Have your say...

... on the new mural for the playground

Resident workshops are organised at the **Ralph Perring Centre** to:

- Identify aspirations for the mural (design, style, materials, palette)
- Define an approach to the design development and discuss residents' input, engagement and involvement
- Identify skills available across the estate that could contribute to the design
- Residents of all ages are encouraged to attend and we hope to see many of you there.

|------------|-----------------------------|-------------|--------------------------------|
| Workshop 1 | Friday 12 th May | 4.30-5.30pm | At the Ralph Perring Centre |
| Workshop 2 | Friday 12 th May | 6.30-7.30pm | |

If you cannot make either session, please register your interest with the project manager, Leila on: leila.ben-hassel@cityoflondon.gov.uk, as future resident consultation workshops will be organised as the mural design progresses.
